

Cross Country Flight Planning to Canada: Planning Considerations, ICAO Flight Plans, and EAPIS

The event will cover flight planning requirements of flying internationally to Canada. The event will cover the necessary preflight planning considerations for a successful flight from the United States to Canada and from Canada to the United States. An officer from the United States Department of Homeland Security, Customs and Border Protection will be present to discuss and answer questions about EAPIS.

Directions: This event will be held in the main terminal building. For detailed driving directions, please use internet software such as GoogleMaps, MapQuest, Rand McNally or similar.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
